

MARYLAND CHAMBER OF COMMERCE presents the

GOOD WORK CHALLENGE

This May, the Maryland Chamber of Commerce is challenging businesses to give back. What can you do to help the community? Our challenge is as easy as 1, 2, 3.

STEP 1 GIVE

Do something to give back to the community.

This could be anything from time to planting trees. If you need quick and easy ideas, check out our website: mdchamber.org/resources/waystogive

STEP 2 DOCUMENT

Document your Good Work and share on social media with the #MDCCGoodWork.

We suggest a live video or picture of your team participating in Good Work. Be sure to let us know by tagging @mdchamber and using the hashtag #MDCCGoodWork!

STEP 3 CHALLENGE

Challenge another Maryland business to do Good Work.

Call out or tag another business on social to keep the Good Work going. We suggest contacting their marketing team directly and sending them the Good Work Challenge guidelines before challenging on social so they can prepare.
