About the awards

Businesses – small, large and in-between – drive this state, employing its residents and powering its economy. When business does better, our state gets stronger, and making our state stronger is what we strive to do each day.

The Maryland Chamber is seeking nominations for recipients of the 2019 Inspire MD Awards:

MARYLAND BUSINESS HALL OF FAME AWARD

Prominent CEOs and leaders are inducted into the prestigious Maryland Business Hall of Fame for their outstanding leadership and contribution to Maryland business and communities. The contributions of these individuals go well beyond the bottom line. They are the best in Maryland's business community and prioritize their civic and philanthropic duties. They are masters of leadership and bring not only their businesses greater success through their hard work and dedication, but also their employees, communities and colleagues.

INSPIRE MD AWARD

Workforce development initiatives are imperative to strengthening the talent pipeline in Maryland. Whether you are a business that supports programs and initiatives to better the workforce or are an organization that is solely dedicated to educating our future leaders and equipping them with the skills necessary for success, you are doing your part in creating a stronger Maryland.

PUBLIC SERVICE AWARD

Each year, the Maryland Chamber of Commerce Board of Directors selects a recipient for the Public Service Award. The Public Service Award honors a singular outstanding public servant for her or his contributions to help advance Maryland's economy and quality of life. Without question, this is an elite but essential group of dedicated individuals.

INNOVATIVE WELLNESS AWARD

Health and wellness are imperative in today's workforce. Some businesses have exceeded expectations by making access to health and wellness engaging and seamless for employees. This is often achieved through programs that offer health care allowances, flexible schedules, on site options, nutritional snacks, gym memberships, and more. The company nominated should support their employees with an innovative and engaging approach on overall health and wellness—improving the wellbeing of their employees and, in turn, the community.

RISING STAR AWARD

The Rising Star Award honors a motivated future leader inspiring today's business community. This individual is driven and willing to do the hard work to propel their business, employees or colleagues, and community to even greater success. This individual has demonstrated tremendous growth, an upward trajectory, and embodies the future of Maryland business.
