

# 5 Ways Manufacturers are Reassuring Essential Employees During COVID-19

Manufacturing is on the front lines of the nation's response to COVID-19. They are also taking measures aimed at reassuring their employees about safety as they continue to report to work. As shared on recent MLC and NAM webinars, these are actions that companies are taking to ease employees' fears. This is not guidance from the NAM or the MLC, but rather a report on examples of what companies are doing in response to the coronavirus pandemic.
