# **STATE AND LOCAL GOVERNMENT GUIDE TO**

THE AMERICAN RESCUE  
PLAN'S CORONAVIRUS  
STATE AND LOCAL FISCAL  
RECOVERY FUNDS

MARCH 10, 2021

## **CORONAVIRUS STATE AND LOCAL FISCAL RECOVERY FUNDS: MARYLAND ALLOCATION ESTIMATES**

Under the \$360 billion Coronavirus State and Local Fiscal Recovery Funds, every level of government will receive funding, regardless of size. Funds can be utilized by state, county, and municipal governments to respond to and prepare for COVID-19 activities, as well as the replacement of revenues lost as a result of COVID-19. All funds must be expended by December 31, 2024. The \$10 billion Coronavirus Capital Projects Fund will provide states with funding to carry out capital projects enabling work, education, and health monitoring, including telehealth options, in response to COVID-19.

**Overall, Maryland would receive an estimated \$6.355 billion under the three funds.** The State would receive \$4.038 billion total, with \$3.869 billion under the State Fiscal Recovery Fund and \$169 million under the Coronavirus Capital Projects Fund. **Maryland local governments would receive \$2.317 billion total,** with \$1.728 billion for Maryland counties (including Baltimore City) and \$589 million for Maryland municipalities (excluding Baltimore City).

Since Baltimore City is a municipality and treated as a county level government by the State of Maryland, the City is uniquely able to receive funding under the set asides for both counties and cities. Due to the Baltimore's size as the 30th most populous city in the United States and significant low-income population eligible for CDBG funding, they will receive a total of \$670 million. Their municipal allocation is \$555 million, their county allocation is \$115 million.

## Coronavirus State Fiscal Recovery Fund \$219.8 billion nationwide

- \$195.3 billion awarded to states within 60 days after enactment
- Funding is distributed under a formula that accounts for population and share of unemployed workers
- The Secretary may, but is not required to, split the state allocation into two payments
  - ***Under this fund, the State of Maryland would receive \$3.869 billion in total***

## Coronavirus Local Fiscal Recovery Fund \$130.2 billion nationwide

- \$65.1 billion for counties, the first half of award to come directly from Treasury within 60 days after enactment
  - Funding is distributed on a population basis
  - Treasury will issue two tranches of funds, with 50 percent of allocation available within 60 days and the second tranche available one year after the first tranche is paid
    - **Under this fund, Maryland counties would receive \$1.728 billion (including Baltimore City)**
- \$65.1 billion for municipalities
  - \$45.57 billion for metropolitan cities that are entitlement communities under CDBG
    - Annapolis, Baltimore, Bowie, Cumberland, Frederick, Gaithersburg, Hagerstown, and Salisbury
    - Funds are distributed on a modified CDBG formula on a population and concentration of poverty
    - First half of award to come directly from Treasury within 60 days after enactment
  - \$19.53 billion for nonentitlement municipalities
    - This provides funding for Maryland's remaining 149 municipalities
    - Funds are distributed on a population basis
    - Treasury has 60 days to award funding for the State to distribute to nonentitlement communities as a pass-through. Upon receipt, the State must distribute funds within 30 days
  - All municipality funds are issued in two tranches, with 50 percent of allocation available within 60 days and the second tranche available one year after the first tranche is paid
    - **Under this fund, Maryland municipalities would receive \$589 million (excluding Baltimore City)**

## **Allowable uses of Coronavirus State and Local Fiscal Recovery Funds**

- Respond to or mitigate the COVID-19 health emergency or its negative economic impacts, including assistance to households, small businesses, nonprofits, and aid for tourism, travel, and hospitality;
- To provide essential workers with premium pay;
- Cover revenue loss as a result incurred as a result of the COVID-19 emergency; or
- To make necessary investments in water, sewer, or broadband infrastructure

## **Prohibited uses of Coronavirus State and Local Fiscal Recovery Funds**

- Funds may not be used to support any pension fund or offset a tax cut
-

## County and Municipal Coronavirus Local Fiscal Recovery Fund estimates per county

Below are the estimates for the Senate passed version of the Coronavirus Local Fiscal Recovery Fund as prepared by the Congressional Research Service. These are intended to be estimates for planning purposes and actual amounts awarded may vary depending on final calculations by the Department of the Treasury.

Eight county governments, Allegany, Caroline, Carroll, Cecil, Dorchester, Kent, Talbot, and Worcester counties, received less than the cumulative total of their municipalities. This is due to the county formula taking into account the municipality share of population, more residents reside within municipalities than unincorporated places within a county.
