

## 2023 Sponsorship Opportunities

June 17, 2023  
Baltimore, Maryland

*The Maryland Chamber Foundation is honored to host the statewide 2023 National Civics Bee competition on June 10, 2023 at Morgan State University in Baltimore, Maryland.*

### ***About the Civics Bee***

Organized in partnership with the U.S. Chamber Foundation's The Civic Trust and supported by six local chambers of commerce across Maryland, the National Civics Bee is an annual competition that encourages middle school students from public, private, charter and home schools to engage in civics, contribute to their communities and flex their civics knowledge for a chance to win recognition and cash prizes.

### ***About the Statewide Competition***

On June 10, 2023, The Maryland Chamber Foundation will host the first, second and third place winners from each competition – 18 students in total – and their families, teachers and community members for a live competition where participants will flex their civics knowledge and present their ideas about how to solve a problem facing their community.

### ***Empower and Inspire the Next Generation – Sponsor the 2023 National Civics Bee***

Help us empower and inspire the next generation of leaders, voters, activists, entrepreneurs and problem solvers. Demonstrate your organization's commitment to future generations by sponsoring the 2023 National Civics Bee. Your support will help us provide this important opportunity for Maryland youth while providing them with technology, transportation, food and beverages, and prizes for their participation.
